From the Pastor

The season of Lent challenges us to look within ourselves. Looking within our own hearts and digging into the depths of our souls takes effort, time, and a certain willingness to ask the challenging questions.

Quite often, our modern-day church followers take an easier route in discovering by giving up something. I often hear, "I gave up caffeine" or "I gave up social media for 40 days!" Giving up something is hard to do, but I have to ask "why?" Why is it hard? What is the purpose in giving up something? Is it to gain that self-appraisal? Is to win favor from God? God does not love us even more based on any merit. In fact, through Christ, we are freed from the path of self-righteousness. We are justified by grace alone. Grace transforms us within, which ultimately changes our external actions. I want to see how our actions reflect Christ-like grace.

Our actions need to change this world more so than ever. Rather than asking "what shall I give up," the church as a whole should ask, "What can the church do to help change this world?" As a theologian, I appreciate Richard Niebuhr's model on "Christ transforming" this world. Christ entered this world to show that God's kingdom is here and now, and not limited merely in the fu-

ture. As a church, we cannot sit back. We have to continue to stand firm, have faith, act, and serve those who are hungry, poor, and sick. The Christ I know is one who commissions us to continue His mission in this Lent season. I hope that you all join me in asking the question, "What do we do now?"

Blessings,
 Pastor Holgie

March Is Upon Us

It's hard to believe it's already March, isn't it? Seems like yesterday we were celebrating Christmas here at First Congregational Church of Escondido (FCCE). As the saying goes, "Time flies when we are having fun," and we are definitely beginning to have some fun around here.

This month many of us will be coming upon one year of working and worshipping at home. So it only feels right, that we begin planning our return to indoor services, which we are hoping will be at the end of this month. We will not move forward with the return to our sanctuary unless it is safe to do so, which includes a lot of new practices that will be put in place for a safe Sunday morning. So over the next couple weeks the COVID19 team has their work cut out for them, but I know they will once again meet the challenge and emerge victorious.

I am looking forward to the upcoming Spring and Easter seasons here at FCCE, and I am very pleased that I will get to enjoy it with each and everyone of you. I look forward to seeing many long-missed faces returning over the next couple months to our Sunday services, as the vaccines are administered. And let us not forget those that will not be returning and pray that they have found our Lord's peace.

Church Moderator

"The Old Rugged Cross"

It has come to our attention that the cross on the hill behind the upper parking lot is badly rotted and may pose a health hazard if it falls down. Eric Morse has diligently tried to find someone to repair it or replace it to no avail.

After discussing the situation at MLT, it was voted on to remove the cross before it falls and injures someone. If you have a strong emotional connection to the cross and feel we should continue to try to save it, please let us know. Or, if you know someone who is capable of repairing it and is willing to do it, please tell Eric Morse. Otherwise, we'll make arrangements to have it removed.

Thank you for your concern.

UPDATE

Unfortunately the company that did our recent photo directories has gone out of business because of COVID19. We do, however, need an updated directory of names and information because there have, of course, been some changes. If you have a different telephone number, email address, or home address, please notify Diana Augspurger at pdncsd@aol.com or (760) 390-6113. We'd like to have an updated list available before April. Thank you for your help.

Mission and Social Justice Ministry Team

Special Offering, March 14, 2021

Let *Love Flow* is the theme for the 2021 One Great Hour of Sharing Offering, one of four special mission offerings of the United Church of Christ. This Lenten Offering supports the disaster, refugee, and development ministries of the United Church of Christ within Wider Church Ministries.

Missions Programs Rooted in Love!

In the preface of this year's UCC Desk Calendar and Plan booklet, UCC General Minister and President, the Rev. Dr. John C. Dorhauer, eloquently articulates the importance and impacts of good roots. He explains that a good harvest depends on a good root, and good roots depends on good soil.

As you know, the United Church of Christ honors three *Great Loves* which include the love of neighbor, the love of children, and the love of creation. Everyday we have multiple opportunities to commit to keeping love at the center of all we do as individuals as well as a congregation. In doing so, we cultivate the good soil so that good roots can take hold. Just for a minute, close your eyes and visualize the presence of God's love and our love for God. Maybe it is the beautiful Rose Labyrinth, or the support of those in our

community who face food insecurity, or are experiencing homelessness. It could be the participation of our young people in our worship services, or the beautiful music we hear each Sunday.

What about our pastor, who has skillfully navigated all the challenges of 2020 and kept our congregation close to his heart? These are just a few ways in which we have made commitments to creating good soil and a life rooted in love.

As Rev. Dorhauer explains, "Let this year mark again the life that you commit to; and may the life be both rooted in love and therefore yield thirty and a hundredfold all that God can make possible with the toils of your love."

FCCE members continue their *Love and Generosity* for others

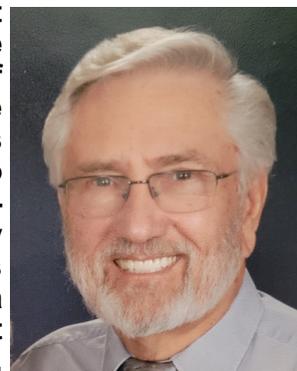

- Souper Bowl Soup Drive exceeds goal! While the actual Super Bowl game was somewhat of an underwhelming contest, the 2nd Annual FCCE Souper Bowl Soup Drive exceeded our goal of 200 cans by collecting 265 cans of soup along with 75 additional food items. Thank you!
- Christmas Fund for Veterans of the Cross. We are happy to report that to date, over \$575 was collected. Thank you!

Meet the Members of the MSJ Team!

Over the course of the next several months, we'd like to feature the members of the MSJ Team. Who are these caring individuals who volunteer their time to support FCCE and our missions in the community and around the world. This month, we begin with a gem, someone who most of us at FCCE recognize, but did you know—Jim Gates is a man of the world! This quiet and gentle man started life in rural South Dakota but soon life took him to Los Angeles, Chicago, and Boston then to Australia where he earned a

Masters degree in Social Work. But through a series of adventures, his travels took him to Hong Kong, Japan and eventually (via the Transiberian Express) from East Siberia to Moscow, then on to visit family in Sweden. His worldwide travels may not surprise you if you knew that Jim Gates is related to the early settlers who arrived on the Mayflower and to Plymouth Colony's first born. Jim's professional career focused on both youth and adult social services. But his work in hospice really brought his education in psychology, social work and theology together. Since Jim retired four years ago, he has continued volunteering at Elizabeth Hospice and here at FCCE with Foundation Matthew 633 food distribution. Jim and Maureen Gates have been active leaders in the ministries of FCCE since 2004.

The painting below by Dave Joslyn shows Jim at work with Matthew 633.

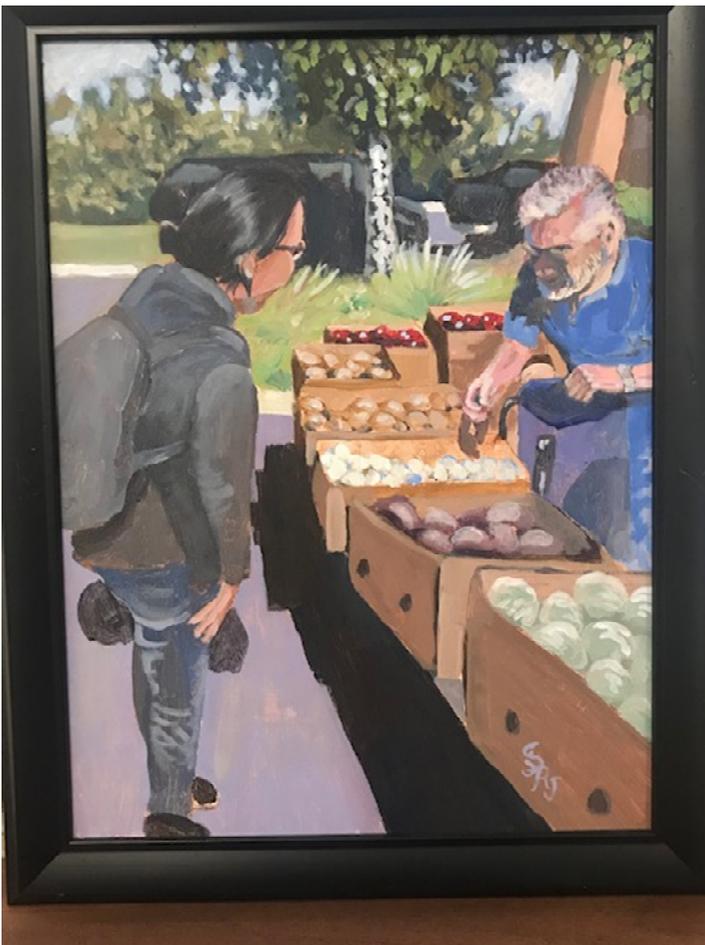

Daylight Saving Time begins at 2:00 A.M. Sunday, March 14, 2021. Set your clocks ahead one hour prior to retiring on Saturday night, March 13th.

Rose Garden Labyrinth

The Rose Garden Labyrinth Team is pleased to announce that we will have a second rose dedication on Sunday, April 18, 2021. The deadline for Rose donation forms is March 31, 2021. If you need a donation form, you may pick one up on Sundays, or from the church office on Monday—Friday at 9:00 A.M. to 1:00 P.M.

The Rose Garden Labyrinth is open to the public seven (7) days a week. You may be interested in walking the labyrinth during this season of Lent. The labyrinth walk inspires sojourners to spend time in contemplative prayer. We encourage everyone to visit the Rose Garden Labyrinth during the 40 days of Lent.

Congregational Life Ministry Team

We are now in the middle of our Lenten season and preparing our hearts for Easter. “Lent” comes from the Old English word “lengthen” which reflects springtime when the days lengthen and new life springs forth. We anticipate the victory of the *Light and Life of Christ* over the darkness of

sin and death. It is a season of self-examination and a time to try to strengthen your faith.

We, as the FCCE Care Team, are especially worried about our members during this pandemic. As more and more of us are getting vaccinated, it is becoming a season of hope that this will soon end. But there is still a long road ahead until we can say we are back to some kind of normal. The members of this team will continue to pray for all of you and try to keep connected with you as best as we can.

I am feeling like a broken record when I say take care of yourselves. Practice acts of kindness, call a relative or friend who lives alone, wave at a neighbor, send a card or email, walk, do yard work, read, do a crossword or jigsaw puzzle, and most importantly, express gratitude for each day that is given to you. Talk about your feelings to others and ask them how they are doing and remember that you have two ears and only one mouth so—***LISTEN!***

Please let the church office or this team know if you are worried about a member, if they need financial help during this hard time, or just our prayers. The Deacons’ Fund is collected the first Sunday of each month and is used to assist members with financial need.

Remember this important quote from Maya Angelou—Hope and Fear cannot occupy the same space. Invite one to stay.

We pray for your safety and good health.

Respectfully submitted by, Claire Dyekman

Meet Our New Office Administrator

First Congregational Church of Escondido welcomed Norma Vasquez as the new FCCE Office Administrator on Wednesday, February 24, 2021. Norma has many years of office and business experience. Norma will be in the church office Monday through Friday from 9:00 A.M. to 1:00 P.M.

Norma lives in Escondido with her husband, Fernando. She has three grown children. Her oldest son is a district manager with Home Depot. Norma’s youngest son recently became a U.S. Marshall, and will be stationed in the U.S. Capitol Building in Washington D.C. Norma’s daughter is a registered nurse living in Tampa, Florida.

Norma has many hobbies, but her passion is volunteer outreach to the community. She has volunteered for the past five years with the San Diego Polanski Children’s Center. Norma loves to knit and crochet. She routinely makes blankets and distributes them to homeless persons living on the streets. She also volunteers with Rachel’s House, a center that provides a safe, sober environment for women with few or no resources. Norma also loves cats.

We are blessed and eager to have Norma join our FCCE church family. We encourage you to stop in and say hello when on campus.

Welcome Task Force

**WHOEVER YOU ARE...
...WELCOME HERE**

Submitted by
The Rev. Diana Augspurger
for The Welcome Task Force

Recently my brother and I walked in the woods near a mountaintop. It was so green and fresh with lots of oak trees and at least three kinds of pine trees and some other trees I don't know. We saw and heard several different kinds of birds, including woodpeckers, blue jays, doves and others heard but not seen. I marvel at the diversity in nature, even in our own garden.

God obviously loves variety, diversity, mixing many different things together. And God loves diversity in people as seen in our own families and neighbors as well as in the broader world. Some we enjoy, and some we cannot fathom. But God loves them all as seen in Jesus' reaching out to all kinds of people. May God help us see and appreciate the variety in people as well as the rest of nature. May God help us see everyone with God's eyes and affirm all as siblings with us in God's Kingdom.

I had been teaching my three-year old daughter, Caitlin, the Lord's Prayer. For several evenings at bedtime she would repeat after me the lines from the prayer. Finally, she decided to go solo. I listened with pride as she carefully enunciated each word

right up to the end of the prayer: "Lead us not into temptation," she prayed, "but deliver us some E-mail."

A Sunday school class was studying the Ten Commandments. They were ready to discuss the last one. The teacher asked if anyone could tell her what it was. Susie raised her hand, stood tall, and quoted, "Thou shall not take the covers off the neighbor's wife."

- H**ere's what Interfaith continues to do all year long:
- ◆ Feed people who have nowhere to turn by offering emergency food packages, sack lunches and meals
 - ◆ Move people off the streets into adequate and stable shelter to ensure their long-term self-sufficiency
 - ◆ Help seniors and those with health conditions, who are homeless today, get into specialized shelter and motels
 - ◆ Operate all residential programs, now open 24/7, so that residents may safely "shelter in place"
 - ◆ Be a mailing address for those without a home, to ensure they receive medications and paychecks
 - ◆ Offer showers and laundry services to the public, meeting a critical need for hygiene and cleanliness
 - ◆ Provide job training programs for at-risk youth, veterans, and all Interfaith clients seeking employment
 - ◆ Provide access to medical and behavioral health services in partnership with Neighborhood Healthcare
 - ◆ Encourage social distancing practices and implement health screenings at all locations
 - ◆ Operate our 32-bed Recuperative Care center for people being discharged from hospitals without housing and with continuing health conditions

If you or someone you know needs help, call 760-489-6380 to schedule an appointment.

**Obituary for Barbara Sue Whitfield
October 17, 1940-February 3, 2021**

Sue Whitfield left this earthly world on February 3 at her home with her spouse, Cheryl Knapp, by her side. She was born in Broken Bow, Oklahoma to James Washington and Dora Pearl Whitfield. Her family moved west as part of the need for miners in Nevada and then onto the oil fields of the San Joaquin Valley.

Sue spent her whole career as an elementary school teacher, putting her heart and soul into improving the lives of her hundreds of students. Her career began in Shafter, California before being accepted into the Department of Defense Dependent School program overseas where she taught for two years at the army base near Frankfurt, Germany. Upon returning to the States, Sue relocated to the San Diego area and continued teaching for another 32 years in the Cajon Valley School District in El Cajon, California.

Sue is survived by her sister Geneva Burch of Taft, California, and many nephews and nieces and other extended family members. She was pre-deceased by four siblings—Inita Faye, Lloyd Dale, Jerry Wayne and James David Whitfield.

She will be remembered for her humor, her outrageous political comments, for knowing all 17 verses of every song and for dancing on the table. Just to egg her on, her friends told her we would put on her tombstone: “Here lies a Democrat in a Dress.” She leaves behind her spouse of 36 years, Cheryl Knapp, and many dear friends. The family hopes to have a Celebration of Life in July.

In remembrance of Sue, donations can be made to First Congregational Church of Escondido, 1800 North Broadway, Escondido, CA 92026 or the National Audubon Society (Audubon.org).

WALKING THE ROSE GARDEN LABYRINTH DURING LENT

In Memoriam

The season of Lent has traditionally been a time of prayer and reflection, of confession and repentance, of seeking forgiveness and reconnection, and a time for restarting life, and of wholeness. Lent starts with *Ash Wednesday* and ends with the *Last Supper on Maundy Thursday*, the *Crucifixion on Good Friday* and the *Resurrection on Easter Sunday*

However, the COVID19 virus has torn apart our religious habits and traditions, causing Christians to seek new ways of worship. FCCE offers one such alternative via its newly established **Rose Garden Labyrinth** in which individuals may walk the labyrinth with a new focus on the 40 days of Lent, which includes its final week—Holy Week.

Walking the labyrinth during Lent with Matt 7:7 (“Ask...Seek...Know”), and keeping in mind the 23rd Psalm, the final two days of Holy Week during Lent (Maundy Thursday, Good Friday) and Easter, the sojourner can personally experience the full and deeper spirituality of Holy Week according to one’s own schedule, while still maintaining COVID19 precautions. So let us begin:

ENTER: Be Open, Ask God’s Guidance, and Let go of Your Weaknesses

ASH WEDNESDAY: start a journey of repentance and confession according to the 23rd Psalm “I shall not want.”

CENTER: Be Still, Seek God’s Presence, and Know Your Joys and Disappointments.

MAUNDY THURSDAY: Last Supper—23rd Psalm, “He prepareth a meal for me before my enemies”.

GOOD FRIDAY: The Crucifixion—23rd Psalm, “Though I walk through the valley of the shadow of death, I will fear no evil”.

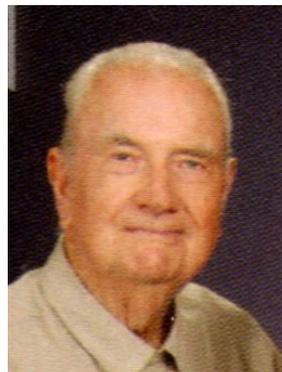

EXIT: Be Grateful, and Know God’s Blessings, As You Reenter the World.

EASTER SUNDAY: Resurrection--23rd Psalm, “My Cup runneth over, and surely blessings and mercies shall follow me all the days of my life”.

Peace,
Jim Gates

Net Income:	\$ -10,229.55
Year-to-date Deficit (Jan):	\$ -10,229.55

We are beginning the new year with a deficit in January. Hopefully, as we move forward and are once again attending services in the sanctuary, we will be able to even out the expenses and income. The faithful contributions from everyone will enable us to carry out our ministry.

Carolyn Hammock

We will continue to worship in the parking lot until Sunday, March 28th (Palm Sunday). On that date we will worship in the sanctuary with the appropriate social distancing clearly marked.

Please bring your own elements for Communion Sundays.

- ◆ Everyone must wear face masks the entire time they are on the church campus.
- ◆ Follow the State of California “Physical Distancing” guidelines, maintain six (6) feet between others.
- ◆ Your temperature will be taken before you enter the courtyard/sanctuary.
- ◆ There will be hand sanitizer stations.
- ◆ Once worship is done the COVID-19 team will disinfect everything to be ready for the following Sunday.
- ◆ The church office restroom will be accessible during the service.

To join on Facebook, livestream on “Holgie Pastor Choi”
 Pastor Holgie’s personal Facebook page.
 If you miss the live broadcast the service will be recorded and available on our
 FCCE YouTube page.

of Plymouth Echoes.**

The COVID 19 pandemic has increased the need to stay in contact with those we care about. Sending a personal card with your special message helps to bridge the gap of social distancing. Angel Wings cards can be purchased on Sunday before and after service, or by calling Tina Talley (760-310-6158 or 760-741-2199). She will set up a time and place to meet for you to “shop”—her house or yours, a park, or the church parking lot!

Remember that your purchase of Angel Wings cards supports the work of our church!

Do you have an article for Plymouth Echoes? If so, please email it to ladybrownsugar@cox.net.

If recognition of your birthday and/or anniversary has been omitted during your month of celebration, please let me know so that you may be added to the monthly list.

VISION 2022 Team

This is a recap of the presentation given at the January 31st FCCE Congregational Meeting. As a team we had been meeting since July with the exception of one month. Primarily our discussion was about what would FFCE look like when COVID19 was over and we could go back to our normal routine. Our discussions lead to a number of short-term goals for 2021. Those goals are:

First: human connections through creative worship experiences—i.e., traveling worship service where the service goes to those who are house-bound and unable to attend the sanctuary service. Other examples would be livestreaming and a hybrid-type service, to name just a few.

Second: youth ministry—reactivate youth activities and start the process of hiring a youth minister.

Third: reactivate the Marketing, Social Media and Website Team, with the immediate task of updating our website.

Fourth: create an ad hoc team to update the FCCE “Mission Statement”.

Fifth, start the process of creating a “Campus Master Plan”.

We also have been looking forward asking the question, “What will FFCE look like in three-four years?” The team has come up with a Vision Statement: *“To Connect, CARE and Heal through Christ’s Love”*. We will use this as our guide and compass as we look to the future.

John Raymond

The March equinox occurs on Saturday, March 20, 2021.

In the Northern Hemisphere, the March equinox is called the vernal equinox, because it signals the beginning of spring (vernal means fresh or new like the spring). The September equinox is called the autumnal equinox, because it marks the first day of fall (autumn).

The Lord is good to those whose hope is in him, to the one who seeks him; it is good to wait quietly for the salvation of the Lord.

Lamentations 3:25-26

I wait for the Lord, my whole being waits, and in his word I put my hope. I wait for the Lord more than watchmen wait for the morning.

**Worship and Music
Ministry Team**

**Our Journey through Lent:
Alone and Together**

We are each on our own spiritual journey through life, but in the Christian church the liturgical season of Lent can be a very special part of this walk as individuals *and* as a community of faith. It is a time of contemplation with prayerful self-reflection, a time of growing through sharing

our spirituality with others one-on-one or in small groups, and a time for living our faith by giving of ourselves to encourage and comfort those who enter and leave our path during Lent and throughout the life we have been given and chosen.

It takes energy to begin and to commit ourselves to this Lenten journey. We might ask ourselves: “Do I have the energy, time and desire to deepen my walk with God now?” It is a choice, but it is also an opening for the Holy Spirit to inspire and guide us to do this. Prayer and self-discipline will help us through these unique 40 days. As one UCC pastor, Talitha Arnold who is one of the *“Stillspeaking Writers’ Group,”* writes: “...some of us begin our spiritual journey through Lent by simply *lifting our souls to God...to join with the ancient psalmist and say as he does in Psalm 25:1, (which echoes one of my favorite hymns, “Here I Am Lord,”) “Here’s my soul, Lord, in whatever shape it’s in. I lift it to you.”**

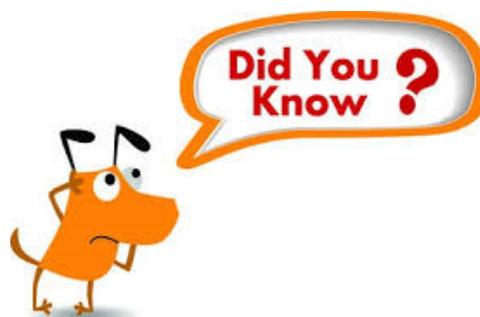

It has been exciting and inspiring assisting Pastor Holgie and our Music Minister, Cynthia, in planning more interactive worship during the six weeks of Lent, Holy Week (Maundy Thursday and Good Friday), and Easter to draw you all into a closer walk with God and one another (see James 4:8). We also hope to evoke in you some of the same human emotions—anger, sadness, frustration, love, and even joy—that Jesus experienced during this final part of his life on his way to the cross and after he rose from the dead. In this way, we can perhaps reach a better understanding of Jesus’ human and divine natures, as he gave his life for us. We aspire to enrich each of

our own spiritual journeys and our journey together as a church. We also strive to sustain and inspire you as we move as one toward Easter, which will be a kind of Resurrection for each of us and as the Body of Christ during the pandemic. Please join us in person in the parking lot or online at Pastor Holgie’s Facebook page on Sundays at 10:00 A.M.

Beginning March 28th (Palm Sunday), there will be three concurrent options for worship: returning to worship in the sanctuary; sitting outside under canopies in the courtyard with the service broadcast; and watching worship from home as it is livestreamed online. Of course, for worshipers at church all precautions will be taken to protect each person from the spread of the COVID19 virus. Finally, on Easter (April 4th), we will continue our Easter tradition of having our children/youth and others release butterflies newly hatched from their cocoons in the parking lot after worship, as a symbol of new life through the Resurrection.

Blessings and Grace to You,

Rev. Maureen Gates and the Team

Birthstones for March: Aquamarine and Bloodstone

William & Judith Depuy March 19, 1966

Don & Suzann Marheine March 23

**Eric Morse & Lois Stewart-Morse
March 29, 1981**

Aquamarine and bloodstone, March's two birthstones, are very different when it comes to appearance, but they share a similar reputation for protecting one's well-being. The aquamarine birthstone evokes the colors of the sea. From deep green-blue to light, slightly greenish blue hues, faceted aquamarines are often free from inclusions and as clear as water, symbolizing purity of spirit and soul. The bloodstone birthstone is typically a dark-green cabochon that contains red spots of iron oxide, the "blood" that brings health and strength to the wearer.

Aquamarine's name comes from the Latin for seawater, and ancient mariners claimed the gem would calm waves and keep sailors safe at sea. This March birthstone was also thought to bring happiness in marriage. Beryl was believed to give the wearer protection against foes in battle and litigation. It was also thought to make the wearer unconquerable and amiable, and to quicken the intellect.

Bloodstone, also known as heliotrope, is a variety of chalcedony (cryptocrystalline quartz) that is traditionally semi-translucent to opaque dark green jasper with red inclusions of iron oxides, especially hematite. Bloodstone's alternate name, *heliotrope*, comes from the ancient Greek word that means "to turn the sun." In ancient times, these March birthstones were believed to turn the sun red if they were placed in water. The name *bloodstone* derives from the belief by some that the color pattern has religious significance, representing the blood of Christ.

Several metaphysical properties have been attributed to this March birthstone. They include increasing strength, giving invisibility, and, preserving health and youth. In modern times, many believe the bloodstone birthstone to be a lucky charm, as it is prized by athletes and others who want to grow their strength. Even today in India, fine bloodstones may be crushed into a powder and used as an aphrodisiac. <https://www.gia.edu/birthstones/march-birthstones>
